The more and more you learn, a lot you will experience and explore, the less you will make mistakes!
Learning is infinite.

~~The 3rd Grade~~ 4th Grade & 5th Grade

Topic: The Very Hungry Caterpillar (by Eric Carle)

Contest time: 2023/01/31

The Very Hungry Caterpillar

In the light of the moon, a little egg lay on a leaf. One Sunday morning, the warm sun came up and pop! out of the egg came a tiny and very hungry caterpillar. He started to look for some food.

On Monday he ate through one apple. But he was still hungry.

On Tuesday, he ate through two pears, but he was still hungry.

On Wednesday, he ate through three plums, but he was still hungry.

On Thursday, he ate through four strawberries, but he was still hungry.

On Friday, he ate through five oranges, but he was still hungry.

On Saturday he ate through one piece of chocolate cake, one ice-cream cone, one pickle, one slice of Swiss cheese, one slice of salami, one lollipop, one piece of cherry pie, one sausage, one cupcake, and one slice of watermelon. That night he had a stomachache!

The next day was Sunday again. The caterpillar ate through one nice green leaf, and after that he felt much better. Now he wasn't hungry anymore, and he wasn't a little caterpillar anymore. He was a big, fat caterpillar. He built a small house around himself, called a Cocoon, and he stayed inside for more than two weeks.

Then he nibbled a hole in the cocoon, pushed his way out, and...

he was a beautiful butterfly.

by Eric Carle
