Reading text

My mum's an artist. She paints beautiful pictures and she teaches people to draw. My dad works in a big bank, but he sometimes works at home. He helps people with their money. My uncle has a really cool job. He's a musician – he plays the guitar in a band.

My big brother is a student. He wants to be a vet one day because he loves animals. My little sister wants to be a firefighter when she's older. When I grow up, I want to be a pilot because I love aeroplanes and I want to travel to lots of different countries.

Top tips

1. Write *a* before the job if it starts with a consonant: *he's a musician* (not *he's musician*).
2. Write *an* before the job if it starts with a vowel: *she's an artist* (not *she's artist*).
3. You can say *my sister is a...* or *my sister's a...*
4. Remember the 's' or 'es' for *he* or *she*: *my dad works....* or *she teaches...*
5. You can say *when I'm older*, *when I grow up* or *one day...* to write about the future.
6. Write *because* to say why you want to do something: *I want to be a pilot because...*
